

## THE TRENTON LEGISLATURE.

A RECESS OF SIXTY DAYS WILL BE TAKEN  
ABOUT THE MIDDLE OF NEXT MONTH  
—REFORM LEGISLATION.

Trenton, April 22 (Special).—The work of the Legislature will be rapidly pushed during the coming week, as the lawmakers have decided to take a recess May 10 or 16. The intention is to take a recess for sixty days, and then reconvene for a day or two to dispose of any important matter that presents itself or is left undone at the time of taking the recess. This programme will be carried out until next November in order to prevent any Democratic victory. The decision arrived at by the Republican State Committee and the Advisory Committee of the Legislature to make all the principal State boards and the management of State institutions non-partisan, giving the Governor the power of appointment, with the advice and consent of the Senate, is satisfactory to all elements of the party. The State Prison Board of Inspectors is also to be made non-partisan. This conclusion of the party leaders indicates that Head Keeper Patterson will not be interfered with in the management of the prison. The inference is that all deputies now employed in the prison will be allowed to remain so long as they keep their present record. It is also decided that a thorough weeding-out of the untrustworthy will be begun as soon as the new board goes into office. The State Board of Education and the Board of Managers of the State Normal Schools and Hospitals will be made non-partisan. The present executive membership of the former board will be purged entirely, so that whatever party it may represent will be represented in the Board of Education by the Speaker of the House, nor the Secretary of State shall have a voice in its management. The new board will consist of two members from each congressional district, one of each political party, to be nominated by the Governor, and confirmed by the Senate.

There will be lots of fun in the Patterson Board of Aldermen, as the appointment of the new Freeholders who shall become a part of the Senate Thursday night shall become a law, because of the variegated political complexion of that body. It contains men of every shade of six democrats, an independent Republican and a Socialist.

There will be no reappointment for Assemblymen, as has been stated, because it would be unconstitutional. The Congressional reappointment and other reform bills of importance will be introduced this week.

**DEATH OF MRS. HENRY E. MONTGOMERY.**  
Mrs. Henry E. Montgomery died on Saturday at her home, No. 139 Madison Ave. She was the widow of the Rev. Dr. Henry Edlinson Montgomery, who was for nineteen years until his death in 1874, rector of the Church of the Incarnation, in this city. Mrs. Montgomery was born in 1825, and married in 1848, to Rev. Dr. James J. Jackson, rector of the City Justice of the Peace Court. Her mother was the daughter of Thomas Tillotson, Surgeon-General during the Revolution and Secretary of the State of New York under George Washington, in New York City. Mrs. Montgomery leaves nine children. The funeral will be held at the Church of the Incarnation to-morrow morning, and the burial will be at Rinebeck.

**THE REV. S. E. YOUNG RESIGNS HIS PASTORATE.**

Asbury Park, N. J., April 22 (Special).—The Rev. S. Edward Young, pastor of the Westminster Presbyterian Church, after the morning sermon today, formally tendered his resignation of the charge, over which he had presided successfully for nearly five years. He leaves here to accept call from the Central Presbyterian Church of Newark, where he will preside in the erection of a beautiful house of worship in the new quarter of the city known as South Newark.
